APRILAIRE HUMIDIFIERS

CHOOSE THE RIGHT HUMIDIFIER FOR YOUR HOME.
EVERYONE DESERVES TO BREATHE HEALTHY AIR.

Aprilaire has been there since the beginning by introducing the first whole-home humidifier in 1954. In the nearly six decades since, we have continued to focus on creating whole-home humidification solutions focused on improving the health of your home's air. Your humidifier will also help preserve your belongings, achieve total comfort, and lower energy costs.

Designed and manufactured in the United States, each humidifier is built to last and comes equipped with a 5-year warranty.

Each whole-home humidifier also comes outfitted with digital controls to let you easily remedy your dry indoor air.

Whether you have a single uncomfortable room, you're renovating your entire house, or you're building a home from scratch, Mitsubishi Electric has a Zoned Comfort Solution™ that fits your unique needs. Because our systems focus on individual living spaces rather than treating every room the same, it's more customizable, more energy efficient and easier to install. Call today to receive \$500 off a Mitsubishi multi-zone system.
